Helo mate and welcome to the forums.

If you wish to join the minecraft server, just post your login in the minecraft section.

I think i did at one point 😊
its just i think it slipped onto one of the pages before so i didn't really want to ask again in case you had seen it
Thanks xD

Also is there anyway to stay 1.4 because haven't actually updated it yet but when I open minecraft I think it will update automatically.

doesn't matter 😊
just realised your post
