hello my name css name is DKFO TheUltimateKnifer i've played on your WCS server today and want in. Its some really cool servers you have and it would be nice if you got zombie servers too. my steam user id is STEAM_0:0:20324420 and i play much css but the only boring part of the wcs server is that it can take long time until get new races but else its a good server! 🤔

Hi knifer, played with you today, nice to meet you. Welcome to the forums!

Ps. If your wanting to join you will need to make a post in the correct section "l want to join twkgaming"

Just remember to be active not just on the servers but also 🤔 on the forums.
Keep a good attitude and you shouldn't have a problem.

yeah it is hard to knife people online even when i played on a deathmatch i knifed i guess 10 people and 2 in one place same time it is hard so i uses weapons as well but if i can i always try to... But yeah i will try to be on as much as i can unless i am gaming wow or zombie servers or other games i have on steam 🤔
