_____

hello my name css name is DKFO TheUltimateKnifer i've played on your WCS server today and want in. Its some really cool servers you have and it would be nice if you got zombie servers too. my steam user id is STEAM_0:0:20324420 and i play much css but the only boring part of the wcs server is that it can take long time until get new races but else its a good server!
