

Please make me a member on your minecraft server

Posted by 09millarda - 08 Dec 2011 21:01

I have been waiting...

I know I've said this a lot in the past, but there are a lot more to come in terms of mc servers and twkgaming, atm, lots of thing my irl experience on this planet, as soon as I clear most of it, things will happen.

One thing coming soon is website migration in new machines, more speed and more space weee 🤪
