

SpiderPig here

Posted by pudding260 - 30 Dec 2011 12:03

Hello

I'm happy I have finally made an account on this community and I hope I am welcome here. As some people may know, I like/love the warcraft server. Some friends have asked me to join this community, and because I like it, I made an account here. So, I'm sixteen year old and I live in Belgium. I play soccer (Heist-op-den-Berg => where I come from) but I also like css. I really don't have anything more to say, but if some1 has questions, quote or ask me online & leave your message.

Happy holidays, all 🇺🇸🇨🇦

Nicolas / SpiderPig 🐷
