

PowerPiranha! [DommyBarr]

Posted by DommyBarr - 22 Jan 2012 18:31

I just wanna say a big hello, and share my story with you 😊

Rightio, My name's Dominic Barber, i'm 19 and i come from the UK. I recently discovered TWK's various servers and got heavily addicted instantly. Now every time i look for a server to play on CS:S, i'm obliged to play the WCS. I must log about 6 hours a day on that bloody server, and it still doesn't seem enough.

~Home Life~

I am currently working for a company called "B+K Systems Ltd." Which specialize in the floor trade business [In english, i'm Bob the Builder]. Before this i graduated from college. The courses i took in college was the 3BTEC Music [History/Theory/Performance] and Advanced Mathematics!.

Every tuesday and Thursday i play rugby for a local team called Bilton Sully's open age.

And the rest of my life is either drinking, sleeping, eating or playing CS:S.

~Speaking of CS:S!~

I know a few of the regulars; Xi, SpiderPig, Owenn, Flexx, Jokez etc and would like to get more acquainted with all of you 😊

I'm all about good clean fun, even though i'm very strict on rules D;

Anyways, that's a little about me.

As you can clearly see, i'm a grammar nut, but don't judge me on it :p

I LOOK FORWARD TO MEETING YOU ALL 😊

Quote me, Add me, Msg me, LOVE ME!

You should get your skins etc soon; Colin has just been away so I'm guessing he hasn't really had any time to update that
