

What is karma on the forum?

Posted by FroggyFace - 24 Jan 2012 17:22

I've noticed that at those two years that i've been on twk that people really care about their karma(asking me to up it...)

So can any one tell me why and do you get banned if your karma is low enough?

🙄

Well,you won't get banned, but karma is that.. just karma. It reflects how good or shitty you are with folks in the forum'n'stuff 🙄
