Hey it's carb, please could you unban me as it has been 3-4 days since I got banned but from now on I promise I will not use x-ray seeing TWK is my favourite server and I haven't been able to find any decent servers around so i'm stuck at home not doing anything as i'm injured for my football so it's a bit boring but if you could unban me tha would be great. Thanks Carb.

I have looked around but there's not as single server around as good as TWK, so i'm stuck at home not doing anything because of my injury from football so it's a bit boring 🙄
If you could find it in your hearts to unban me then I would be eternally grateful

Thanks, Carb.

Fixed :p
