A) this is the wrong forum and

B) they need to register and apply properly themselves

=====

you will never learn the rules and how to post he?

btw: i've never seen such an unpopular member like u ! 🙄

Wrong place, but he is the first out of 3 that have said please! but its unfortunate that it isn't the person asking himself/herself! 🙄
, When all was going good!

Dentist is one step into the ban (server advertising).

Yesterday he was twk-r for around 5 mins, then I saw him whispering his server, so I demoted him again...

If he does want to be a regular, let him come him here.
