Sup everyone,

I just picked the game up so im really excited to see what it has to offer. Im a 23 year old law student so I do not have much time for video games but break is coming up and I thought this would be a fun time to hop in. I am mainly into RPGs so I like the direction that the game is going with its updates. Anyways, hope I get to know you all better and that I dont stink up your server with my newbdom.
