Wondering if I was ever gonna get unbanned since I really didn't do anything except for the cursing and me and Voodoo talked that through and I apologized 😊
I really like this server lol. I try to log on like ever other day hoping i'm unbanned.

Dude, seriously, stop spamming threads -_-

Most of us have been busy today, so haven't had time to unban you. Be patient! Spamming on the forums isn't going to help!
