I was following you for about 15 minutes and just watched you getting all diamond veins nearby, hidden by stone and tracking thought blocks.

BTW, I was also xraying behind you. Also xbp reports a high ore mining percentage

>xbp abusement_park

16:22:04 [INFO] -----XBP-----

16:22:04 [INFO] Total blocks broken in last 48 hours: 4362

16:22:04 [INFO] Iron Ore: 4.332875% (189)

16:22:04 [INFO] Gold Ore: 2.3613021% (103)

16:22:04 [INFO] Lapis Ore: 0.1834021% (👉)

16:22:04 [INFO] Mossy Cobblestone: 0.0% (0)

16:22:04 [INFO] Emerald Ore: 0.045850527% (2)

16:22:04 [INFO] Diamond Ore: 3.6221917% (158)

sooo, having almost the same diamond blocks broken as iron, what does it mean? Xraying.

Ban won't be lifted.
