

Peanut Back From the Grave

Posted by PeanutAlmighty - 06 Mar 2013 00:44

Hey guys!

Long time no see, just wondering who's still around, who remembers me, and what's up?

I'm actually a competitive DOTA 2 player now...

I say competitive...

We've entered one competition and are currently 3 losses 3 wins 🙄

Anyway, what's up, who's here from the old school?

Well mate, I'm still here, not the time I wanted to be, IRL taking over a few things and taking lots of time, so gaming is a bit out atm and also the site itself, I expect soon to come back again more active... if things do go well.

Nice to see you're alive.

Cheers
