Site problems and stuff Posted by Tunes - 19 Aug 2013 17:35
Well, I think most problems are fixed, the site has been hacked several times over the last months (around 2 to 10 times per day RLY)
So, if someone still finds a bug here and there, please reply on this thread so I can take a look at it.
Minecraft server problems are sill under dev as my time allows sorry folks IRL does takes it toll.
Cheers!
