my interests are music gaming friends and (drawing since short O\_o)

ehm i kinda like all music there is always something i like and dislike in a genre

i am a dyslection or dyslexia or nym dont know how to write it 😊  
you probably know what I mean anyway.

so yeah i joined here on forum to get to know some more people of twk 😊  
and to add something special on my own ways to this already great community

Hey man, great to have a new member. Welcome.

Since you are listening to music, would you care for a "Spotify" invitation?

(If you haven't already got it. OOR if you haven't heard of it, it's a music program that finds about all popular and unpopular music. It is a great software, free and it takes up about 5MB on your harddrive. Also, check out this article about Spotify if you are interested 3fxgpgaf)
