Google left panel sux Posted by liger - 19 May 2010 23:10

WTf? BING you google! BING YOU IN THE @\$\$

long live firefox addons

Re: Google left panel sux Posted by Tunes - 20 May 2010 01:06

agree, that left panel is (still) pretty useless...

Re: Google left panel sux Posted by drendx - 20 May 2010 13:18

that leftbar is pissing me off...

Re: Google left panel sux Posted by liger - 20 May 2010 17:13

works for me

www.seotools.com/hide-google-options/index.htm#" onclick="window.open(this.href);return
false;
