

Mentally ill kid, haunted by internet

Posted by slaB - 04 Jun 2010 18:12

This kid, beating his cat (disturbing pictures) is being harrassed by the internet in many different ways. After seeing the video, he deserves a prison sentence...

www.ksat.com/news/23749576/detail.html" onclick=">window.open(this.href);return false;

www.ksat.com/video/23749139/index.html" onclick=">window.open(this.href);return false;
(the actual video new report)

I wish I was there so that I could stop him, seriously.
