Eww...

And I've got one of these img843.imageshack.us/i/40779127238619789535.jpg/:2ftruhzi

I've removed the rev limiter, so I get it up to 80 km/h (end of speedometer) 😊

I think a scan posted here would do the honors...
just of the pic.. don't mind the rest... 🤔

After all, you hold a gun at least once a day and kill people with it...
