

Not gone, but MIA

Posted by VoGon - 26 Jan 2011 14:00

Hey dudes,

Im not gone, but a bit MIA as things have been REAL busy lately.

On another country on a big project atm so havent had the time to post or be online.

On top of that I didnt have interwebz at the place I am staying until yesterday so couldnt join at night.

I will make my best to be around later

=====
