---

so like the title says

who of you play league of legends ??

are there any people willing to play ranked or maybe even get a clan going 🙄

and gimme your names so we can play

I play it with my brother and i know waltz also plays it.

My nick is M3ntoz, brother is M4rtin0 and waltz is waltza

demigod rofl xD league of legends is more like dota ;p

anyway league of legends is more balanced out and got more options 😊

and it's free

so why not try it out =D

oh and btw my ingame name is AruAzif
