

so who of you play league of legends ;) ?

Posted by AL Azif - 12 Feb 2011 01:45

so like the title says

who of you play league of legends ??

are there any people willing to play ranked or maybe even get a clan going 🍌

and gimme your names so we can play

was hooked on dota for a long time. Now coz my main pc died tried this one too. Amazing that it runs great on intergrated intel gpu.

share your nickname!

nope, he has 306/262

Those in bolded letters are just the ones registered on lolbase

I started playing it, but i get abused by everyone on it :/ Just like "You've died" & "you've spawn- oh wait you're dead again, nevermind"

I play League of Legends 😊

And I'm very good at it 😊

nickname: introduction2202
