Logitech's G35 Posted by deN - 09 Mar 2011	
Posted by deN - 09 Mar 2011	15:37

So today my new headset came, Logitech G35 and was just wondering if any1 of u guys have it? and if u do, please share with me what u think of it, positive/negative things about the headset. Haven't unrapped it yet because i dont live at home, and the package was sent there:/
