

Disaster in Japan

Posted by liger - 28 Mar 2011 00:55

unless ua re amish u know what happened

next footage shows the best just how destructive it was

wow.

Stuff like this makes me nervous for 2012.

Feel very sorry for those of Japan and hope they overcome the disaster.

deN wrote:

The founder of Pokemon wasn't killed during the Japan disaster.

That was a rumor spread through Twitter and turned into a meme.

Check his twit-blog, there's a tweet that states "Why does everyone think I have passed

away?"
