

What are you listening to now?

Posted by Chifilly - 26 Apr 2011 12:02

I've been on a few forums in my time, and all of them seem to have a topic where people could post YouTube videos of what they're listening to, or their favourite song(s) etc. but I haven't been able to find one here (or an active one that is) so I thought i'd make one 😊

Here's what i'm listening to at the moment:

=====
