

What we, Portuguese, are!

Posted by Tunes - 07 May 2011 22:23

Please note, I have nothing against anyone in europe to the exception of the Spaniards, but this video is absolutely truth, however our small country faces deep political issues very hard to solve... 🤔

But in a few minutes, a bit of our history.

Smoke less marijuana 🤔

You can only hold the facts... if you were born here...
