Hey guys,

Went to Bristol Zoo today, was amazing lawl, got to see Silverback Gorilla's being fed, lions, seals, penguins etc, my favourite part was hand-feeding limreek? birds from Australia, hand about 8 of them on my arms and fingers eating out of my hand lol, it was epic.

Took loads of shots with my D-SLR will be uploading them on my facebook soon enough, cost £14 to get in, spend about 9 hours in there was pretty awesome, saw some lemur's fighting over food, butterflies trying to eat me, some random parrot flying so low I had to duck lol, was a pretty awesome day!

Reccomend any of you around the UK/England area get your arses in ! 🍌
