Okay well guys I am sick of my crappy old computer so im going to uninstall EVERYTHING and start fresh, also changing from windows XP to windows 7, so my computer will be un-usable for a few days so I will be in-active on the games/servers but I will stay active on the forums with my laptop 🙄

so, wont see you guys on the server for up-to a week im guessing...

Cya when I can 🙄

Alright matey no problems,

Congratulations on finally getting Windows 7! (just be aware it does take 20GB to install :p)

Will be kicking your ass when your back on =]
