

where yall at?!?

Posted by Gimp - 03 Dec 2011 19:32

forums seem dead for the last few days 🙄
whose where an whassup

Yep, looks like we all thought the same but no one did nuttin 😊

I've been busy with my house and making arrangements to start my own company (more on that later, by January) and also migrating my machines.

I also thought of exams, but then again, sometimes we are just too busy. but always here 😊

Hi Guys,

Sorry ive not been about much! im still here just had more concerning matters to attend round here.

So yeah im still here anyways 😊

Topic for new conversation obvious one....! What does everyone want for xmas?
