

Shootings linked to CS

Posted by DreamState - 12 Mar 2009 12:46

www.electricpig.co.uk/2009/03/12/german-...unter-strike-player/

Does it not occur to these people that maybe this type of personality is prone to playing fps games like CS on a computer as opposed to CS producing this type of personality :/

oh wait, it's got the word TERRORIST in the game

=====
