How was your Christmas?

What did you get?

How hard did you party?

Pretty damn good.

Skyrim and a butt ton of comics (which is odd because I've never even read a comic before)

Not very hard, pretty chilled day.

My christmas was awesome

I got a new pc and several other things like DVD's etc

Didn't really party much

my christmas was awesome too

i got a workshop, which is about one week and in berlin in the Games Academy. I'll learn an awful lot about Game Artist's and game designer's work. im looking forward to it!

drunk with my family ( parents, brother ( brothers'girlfreind) and my girlfriend))

i had a big hangover
