

Teamspeak

Posted by Tunes - 18 Nov 2012 11:32

Hello folks!

Yesterday I've fired up a new teamspeak server, this one is private to twkgaming 😊

So, join it at ts.twkgaming.com

😊

Thankyou tunes 😊
(Btw, me and chifilly set it all up and made it look pretty hehe.)

Also.. I'ma sticky this so people can see it more.

All I can thank is

I setup stuff, and this precious staff we have, configures it 😊

Just use it! Plenty of bw to spare.. yet 😊
