Tunes, can I please be unbanned bro.. :/ I'm sorry for what I did and how i acted but i don't do that stuff anymore

Okay, pretty sure you've asked to be unbanned about 7 times now, and every time we have said no.

1. You appealed for your ban using 4 words, we would at least expect an actual APPEAL.
2. We already said your ban is permanent.
3. You've already appealed for an unban multiple times and each time we've told you simply 'NO'

Thankyou and goodbye... Thread = Locked.
