Day 18 in the Big Brother House ...

Well, with a 640 pve score, my gorgeous belf lock is taking some 'timeout' *nervous twitch*

(No, DS is not making me sit in the corner to think about all the evenings I've spent raiding 🙄)

Sat there, twiddling my thumbs, I wondered what life existed outside Azeroth and thought I'd try a bit of q&ss again ... promptly to get preyed upon by Vagon, Pooky and Tinneh 🙄
