Hello

Last traffic Twk Record was on 18 October 2009 with 3.09 Gb for 24 hour period

Last hit was on 14 Feb (LOL) with 4.10 Gb and also a record with 120489 web hits.

Woweee 🤪

Maybe on Valentines as everyone was feeling like they should be spending time with their loved ones and not playing and hence was looking at the site instead!

Good good 🤖

The wcs server has gotten a lot of new players, & attracted quite some people to become TWK members!! 🤖

I'm 🤖 a happy Pooky 🤖

Now we need some enthusiastic people to work for the other servers?

(e.g. Normal source / Deathmatch / Skill surf)

Perhaps look on e-bay ? 🇺🇸

Greetings
