We don't have rootbeer here in Birmingham (or even England?) but I do like Jack Daniels and/or Vodka

Really? I've never seen it 🤔

I'll have to go out and buy some now just to try it, What does it taste like? Any comparisons?

Take a bucket of sugar. Mix it with a mug of water. Drink and enjoy the sweet taste!

Its horrible!! (imho)

I prefere Mountain Dew and our local soda called "Sockerdricka" =)

It genuinely tastes like Dr Pepper mixed with toothpaste - quite an acquired taste.
