In Portugal, its Sagres and Super Bock, also there is Cintra and few other from the islands and stuff, I prefer Super Bock regular rootbeer

nope, thats from belgium (proud to be belgian ^^). it's real beer, not a non-alcoholic soda or something. And there are better belgian beers than jupiler.

I'll never drink Mountain Dew after I read that a bottle of it contains 60g of sugar, that's a heck of alot in 1 bottle of soda =/
