Fo all who have played SC2:

eu.battle.net/sc2/en/forum/topic/1917972162

Read. Laugh. Enjoy.

Blizzard and their aprils fools =)

I don't play SC2 but hahaha I laughed my ass off. Suprised me that Blizzard has a sense of humor 😊
They should do that stuff more often always nice to have a good laugh. But I'm sure it's alot more funny
for the people who do play SC2 😊

ROTFL

Nice one! 😊
Its still a game I will want to buy... shame on the lack of time to play it full.

My fav is the bug:

"There was a bug wich made it possible for Terran to lose, it has now been fixed"
