For Supa.
Posted by Mr.Moo - 13 Apr 2011 21:32

_____

In light of a recent post made by Supa, I'd like to firstly say,

[Here you go.](#)

Secondly,

We never said the cookies would be real ;P

Warning: Spoiler! [stowers5.com/Amanda%27s%20Pages/Links%20...cookie%20monster.jpg](#)

_____

ROFL! That's just cruel and smart. I can't argue with that since indeed it was never sayed the cookies were real. But now I'm looking at a picture of cookies ... come on! Why are you always so torturing me

God I need some real cookies now, seeing that picture mmm

_____

Damnit Mentoz I thought you would have my back on this. Nextime I won't show you any mercy on wcs server

==

Re: For Supa.
Posted by M3ntoz - 14 Apr 2011 08:42

_____

I can kill u while blindfolded on wcs server.

==

Re: For Supa.

_____

Haha Mentoz you and I know it ain't true

Besides having your finger ready on Slay Supa doesn't count as killing me blindfolded

==

Re: For Supa.

_____

Mentoz would never have his finger ready on slay Supa....he's too slow

He'd just freeze you, blindfold you then kill you :p

_____

Hahaha yeah but uhm stop giving him good idea's cause I'm gonne be the victem of it. Besides no one is allowed to abuse Supa

Moo if you slay mentoz for me when i'm on the server. ill worship you and I will stop pwning you. o/

_____

this all got me wondering if css runs on intel integrated gpu, just to pop in, slay all and get out

==

Re: For Supa.

_____

I noticed you always think big liger and I like it
Mass slay sounds epic to me, aslong Mentoz and Moo die it's all good for me.
