

## About Mr.Moo his evil side.

Mr.Moo keeps abusing me I can't take it no more. I'm sure there are other victims. Someone has to stop his madness and he needs to suffer like we did/do. He slaps me everytime when I'm playing good. He slays me everytime when he feels like it and so much more I don't even dare to say out here 🙄

I made this poll for justice. Mr.Moo I'm gonne take you down! 🙄
