

Wish I could play like this kid :P

Posted by VooDoo - 07 May 2011 22:39

well, liquid snake showed me this video I found it amazing 😊
this kid is so talented..

One of the only songs I can play is Oasis - Wonderwall, and its pretty simple, I rarely play my guitar and when I do I only play piss around songs such as:

James bond theme song

Cast - Sandstorm

Smoke on water

and.....

Team fortress 2 - Playing with Danger

idd this kid is really talented but then again wich asian kid isnt? 🤔
anyway you should check out youtube for sungja jung that kid has done about 200 different songs on
the guitar now : /
