effin microshirt

Now Android will never get the skype thingie... or in fact will be removed and the only supported os's will the effin crap microshirt puts out

BTW

Do you guys know where the name microsoft came from??

From Bill Gates thingie.. ohhh Bill, its so Micro....so Soft...

Now who wants to work with a company named after Bill Gates thingie?!?! 🤔

🤔

Hmm, that'd odd the forum shouldn't allow identical posts to be made...

Apologies for the double post -.-

ROTFL Yes, I tend to keep my mind juvenile enough in certain areas 😊  
Kickin M\$ around is a sport for me, at least what they want them to do inside a datacenter.

About it, well, we unixian folks, can do with around.. 5% to 10% hardware of what is done with M\$, in terms of hardware, email server is the most blatant case.
