Come on guys who wants the hassle of having that many wives, if u get rich there only gunna try and steal ya money....

Most people can only manage one let alone 4 🤔
Why go through through all that just become a man slag, so when it comes to the legal stuff ur safe lol
(wow didnt ever think that a female would say any of that lol)

Lucky im not going to have any wives!! 🤔

Lol not saying i would do that cause ill get married to the person i love and want to be with forever no matter how much money they have. Its just harsh but unfortunately if a mans rich some women would just get married to them then take them down for every penny hes got 😏
