

ENTER SHIKARI!

Posted by DommyBarr - 25 Jan 2012 14:21

Don't know how many of you like Enter Shikari, Or how many of you have even heard of them.

BUT I'M SEEING THEM LIVE IN MARCH OMFG.

Does anyone share my passion? D;

It's a band :p

Old stuff;

New Stuff;

I'm so psyched to see them live again,

Seen them 4 times, each time equally amazing!

Been my fav band forever :')

Rofl.. I love them, was going to go see them live last year but ended up canceling the day before 😞
I didn't want to cancel but something in my brain made me badly tempered that day and felt I had to cancel.

but.. my brother has been to see them twice, he is even in one of the videos (of them in manchester) shouting "GET YOUR SAGGIES OUT" (Saggies meaning boobs)

anyways...

I'm not even joking mate, i've met the full crew, and when they played in wigan last year, liam "rory" asked for my email adress for details on being in the Sssnakepit video!

Didn't hear nothing back like xD

Enjoy the live show of Enter Shikari 🍷

Just a random song that i like of Scorpions:

Really old music... i like it 🍷
