

E3 awesomeness and more

Posted by liger - 14 Jun 2010 21:46

all you thoughts and impressions about E3 should be here.

Mainly coz i have exams now and cant be bothered to look thru all the stuff

so post best here 😊

PS: good site for videos gametrailers.com

can it be embedded here?

i like this reviews of E3

www.cracked.com/article_18608_the-day-ga...m-e3-2010.html"
onclick="window.open(this.href);return false;

www.cracked.com/article_18609_more-proof...s-e3-2010.html"
onclick="window.open(this.href);return false;

this is why
