

Counter Strike: Source CFG

Posted by slaB - 24 Jun 2010 14:09

New version was released from EnemyDown, check it out here:

[www.enemydown.co.uk/newscomments.php?id=1714"](http://www.enemydown.co.uk/newscomments.php?id=1714"onclick=">window.open(this.href);return false;)

onclick=">window.open(this.href);return false;

If Pred's Match admin doesn't work we can see if Zblock installs ok and use that instead temporarily for lo3, etc.

zBlock and PMA were dead as of last night. Mani apparently works.

By dead, I mean not working. I assume they will be fixed soon 😊
