

S.T.A.L.K.E.R. 2

Posted by Johannicus - 13 Aug 2010 22:21

Is now officaly in dev! YAY! 🥳

[www.stalker-game.com/en/"](http://www.stalker-game.com/en/" onclick="window.open(this.href);return false;)

Postapocalyptic games ftw! 🥳

I've finished the first one recently and barely started on the 2nd one. I love them all, they are so great 🥳

Its one of those companies that keep a real close contact with their fans, asking for ideas, what they liked about the previous game etc. All to improve the gameplay. The mod community is also very big. They even made mods for each of the old games so the graphics are up to date and looks real good!
