

Missing in Action - one Black Ops server !!

Posted by DreamState - 11 Nov 2010 18:48

If anyone finds our Black Ops server, please join it and add it to your favourites and when other TWK'ers join, please invite them so they can add it to their favourites also!!

My server browser does not bring it up 🙄

TY 🙄

(hopefully they will get the browser and join by IP working SOOON)
