Just bought it, it's supposedly to be the scariest fu\*\*\*\* game ever made, think I'm gonna need some  
diapers 🍼  
But the story looked interesting so decided to buy it as it only costs 7,50 euros (50 % off).

I tried to find some pictures/concept art of the monsters in the game, but this was all I found:

Looks interesting 🤔

I got Penumbra as part of the Humble Bundle recently but have not had time to play it as of yet.
