

DC Universe

Posted by Johannicus - 20 Jan 2011 19:14

Anyone else playing this game?

I like this guys videos, shows a lot.

I Really like this as its more action oriented and less MMO standstill pressing buttons.

And I can once more make the city unsafe as a villain.

I've got it, It's great!!

Few bugs, needs a few fixes, but It's so fun.

Lvl.17

Villain

Mental

Martial Arts/Rifle

Super-speed.
