That trailer is just to good for words, i have watched it sooo many times. even in frame by frame lol (on the PS3)

Playing Revelations online beta atm (was chosen!) and im lvl 22! 🤔
Its far better than brotherhood online

But this one is going to wrap it all up and then make way for AC3! 🤔

Played and finished all the games so far, Assassins Creed, Assassins Creed II and Assassins Creed Brotherhood 🤔

They are getting better, and worse in some ways, but still awesome games!

I own every single Assassins Creed on XBOX (special editions obviously).

It's a brilliant game, but it's all FULL of conspiracy theories.

If you havn't seen them, youtube AC: Conspiracies.

Also, EuroGamer is coming up FAST, they'll be giving players the chance to play 1 level in the new "Assassins Creed: Revelations"

Should be pretty neat! 😊
